Spring Weekend Rector Reports

Men's Weekend

Ron Redd sent a report that was distributed to all Secretariat members prior to the meeting. There were 9 men that were able to serve that had been scheduled to serve on the cancelled weekend, 11 first time served.

Weekend Dates

Cedric is taking on the task of increasing participation from the standpoint of "Growing God's Mission in South Carolina". He is specifically going to

- Investigate discussional meetings with Pastors (maybe regional)
- Update Pastor information in database

There is a possible problem with women's weekend number 30 on May 7-10 because of Mother's day. After some discussion, the Secretariat decided to keep the dates.

Denny Thomas will correspond with Pastor Johnson for the following dates.

- Men's 30 – April 15-18 (changed to April 22-25 because of unavailability)
- Women's 31 – April 29 – May 2
- Coed 11 – September 23-26

Camp Kinard

Dallas Shealy has approached Jim Ullery and requested that we consider holding our weekends at Camp Kinard. We have agreed to meet for several hours at Camp Kinard (to be scheduled) and tour the camp and present any concerns to Dallas Shealy for her to address.

National Delegate

Based on our Pilgrim numbers for 2007 we can send one delegate. Vivian Knight will represent us at the National Convention.

Regional Committees

Dale Knight will send a note to all of the email addresses on file to ask for parties interested in participating in regional committees to contact us.

Sponsorship Issues

We experienced sponsorship issues during weekends. Specifically, sponsors did not do a particularly good job of acquiring Palanca letters. They did not do a good job of asking for the letters or describing why the letters were needed.

Ultreya

Dale Peek inquired about a date for a low country ultreya. Denny Thomas will approach his reunion group about sponsoring one.

Financial Report

Denny Thomas submitted the financial report. The movement is financially sound.
